

Gio Nyco L. Ramos

Question Everything. Every class I took in Ateneo hammered into me the importance of questions. Philosophy, who am I? Theology, why do I believe? Computer Science, how did that code work? Why do some people care? How come some don't? Everything is a mystery. And even if we can't fully comprehend these mysteries, the simple but important act of questioning will bring us closer to the answer.

Miguel Antonio P. Ramos

"Not all those who wander are lost." (J.R.R. Tolkien)
