

Luchelle Alexis D. Alegrid

Thank you, Ateneo, for pushing me out of my comfort zone and molding me into someone I am definitely proud of. I am ready for the next chapter.

SPECIALIZATION IN DATA SCIENCE AND ANALYTICS

Iryz Angelique P. Almario

At first, you might be afraid to talk to Ish, but once you do, you'll come to realize that it was one of the best decisions you've ever made. Being the smart, funny, and witty girl that she is, there will never be a dull moment with her. At the end of the day, she is an anchor that you can be certain of in a sea of uncertainty. As this journey in the Ateneo comes to a close, Ish is the kind of person that you'd want to keep around for your next adventure (of a lifetime).
