“Never accept the world as it appears to be. Dare to see it for what it could be.” (H. Winston)

Alyssa Mae A. Yu

She's experienced much from in her voyage in Ateneo, from spending fair-weathered days by having a good time with friends to cruising through the worst of academic storms. She has established a tight circle of friends as well, and they've aided her on days when she couldn't be as brave a captain of her ship as she usually is. She's the sunniest soul I know of in this campus, and I pray she may remain to be so. (E. Cua)
