

## ***Ana Nikita C. Paz***

Niki is one tough chick. With a brave heart and fighting spirit, she overcame the hurdles college life threw at her, and effortlessly rose victorious while still looking good. It is no surprise that she soared to great heights and landed on even higher ground to become the confident person she is today. Cheers to the strong, independent woman who is as bold as her eyebrows and as bright as her highlight. (E. Lao)

## ***Angelica Therese Marie O. Pollisco***

College was a heck of a ride, but if there's one thing that kept me afloat these last 4 years, it's Hinomoto. It's more than just a group of people who are interested in Japan; it's where I found my home, my heart, and my hope. Hino allowed me to grow so much in 4 years. Each struggle I went through was worth it. Hinomoto is worth it. Hinohitos, thank you for keeping me alive. Thank you for giving me my purpose. I know this org is meant for greatness and I can't wait to see it grow even more.
