

## ***Eliza Ann U. Cua***

Strength can be defined in many ways.

Eliza's strength is different. I have seen her stressed, hurt and broken down but after every time she gets back up again. It is her ability to shake the dust off her yellow gloves and keep fighting on. That same strength also radiates to her friends, whom she holds up with those same yellow gloves.

She has come far and I am sure she will only get stronger. That is the Eliza I know.

MINOR IN GERMAN

## ***Ida Nicola A. De Jesus***

Ida is a BFA Information Design major from the Ateneo de Manila University, and was a BS Chemical Engineering major from the University of the Philippines-Diliman. She is the current Editor-in-Chief of Heights.

She would like to thank everyone who has helped her get here. And finally, she is here. She hopes she has made everyone proud.
