MINOR IN MARKETING

Paula Mikaela S. Sta. Maria

Mikaela is downright beautiful, playful and genuine, sweet and fierce. She's hardworking and straightforward.

On one hand, she's an endearing and sincere friend, always ready to rescue a loved one and serve as a ray of sunshine. On the other, she's a strong woman, never willing to surrender, with the truth as her companion.

Four years on top of the hill with her made me realize how she's able to blend both sides and be the lovable person that she already is. She simply, genuinely, loves.
