

Renz John M. Co

There's beauty in the struggle, ugliness in the success.

Aija Nette R. Cruz

I entered college feeling average, inadequate, and full of self-doubt. However, Ateneo made me realize that every one of us are destined to be great in our own way. My five-year stay passed by so quickly, but it never failed to challenge me to constantly strive and be a better version of myself. With that, thank you Ateneo! The journey was indeed difficult, crazy, and far from perfect, but I wouldn't have it any other way.
