

Larissa Remedios L. Panlilio

Larissa occasionally has a dreamy look on her face, eyes to the side, looking off into the distance. It's in this moment that she's thinking of her next big idea, her next project, the next mountain to conquer. While many would put aside these daydreams, Larissa knows how to turn them into reality. The only things taller than Larissa are her goals, and once she snaps out of her dreamy stupor and gets to work, her eyes are on the prize and you just know she'll get it.

Andre Philip M. Pardillo

"Whatever you can do, or dream you can do, begin it. Boldness has genius, power, and magic in it. Begin it now." (Goethe)
