## ***Nitesh A. Purswani***

“When it is obvious that the goals cannot be reached, don’t adjust the goals, adjust the action steps.” (Confucius)

## ***Gio Nyco L. Ramos***

Question Everything. Every class I took in Ateneo hammered into me the importance of questions. Philosophy, who am I? Theology, why do I believe? Computer Science, how did that code work? Why do some people care? How come some don't? Everything is a mystery. And even if we can't fully comprehend these mysteries, the simple but important act of questioning will bring us closer to the answer.
