

Patricia Andrea C. Ambal

Mischief managed.

MINOR IN DEVELOPMENT MANAGEMENT

Aljenne Nicole S. Ambos

To the dragons I thought I could never slay, the oceans I thought I could never cross, the winds I thought I could never sail against: thank you. You have taught me to turn every ounce of frustration, exhaustion, and self-doubt into overwhelming blocks of courage, boldness, and strength. I will be forever grateful to you, Ateneo, for I have found not only a home - I have also found myself. The best version of it.
