“And once the storm is over, you won’t remember how you made it through, how you managed to survive. You won’t even be sure, in fact, whether the storm is really over. But one thing is certain. When you come out of the storm, you won’t be the same person who walked in. That’s what this storm’s all about.” (H. Murakami, *Kafka On The Shore*)

Ateneo, you’ve been quite a storm.

It may be scary to wake up one day and realize that you’ve changed enough to no longer want the road you’d taken at 16, fresh out of high school, and uncertain of the future. I’m here to tell you it’s worth it to be unsure—that there is time, still, to change your mind. I’ve been there, and I’ve swallowed down the fear, and I’ve chosen to switch tracks halfway through. Happiness is so fleeting; take the risk and chase it, whenever you can. (V. Villanueva)
