"For there is nothing heavier than compassion. Not even one's own pain weighs so heavy as the pain one feels with someone, for someone, a pain prolonged by a hundred echoes." (M. Kundera)

Thank you, Ateneo, for moving me to have a heart for others. I learned in my stay here that the more I orient myself towards the rest of humanity, the better I understand my own. Compassion allows for this mutual discovery—it is therefore an emboldening and necessary gift I hope to carry throughout my life.
