

JOURNALISM TRACK

Rafael Maya C. Talabong

‘Di ba tayo’y narito upang maging malaya at upang palayain ang iba? Ako’y walang hinihiling. Ika’y tila ganoon din: sadya’y bigyang-laya ang isa’t-isa... Ang bawat simula ay siya ring katapusan.” (Joey Ayala)
Patuloy ang pagiging malaya at mapagpalaya. Patuloy ang pagmamahal. Simula pa lamang ito.

MINOR IN CREATIVE WRITING; MINOR IN FRENCH

Patricia Olivia N. Tan Palanca

So no one told her life was gonna be this way, but with the perseverance of Ross, she definitely does more than just survive. Quite quirky like Phoebe, and goal-oriented like Monica, Patti’s Chandler-like quick-wittedness is what brings her to always finish strong. With a love for theater like Joey’s, and an even deeper love for the finer things in life like Rachel’s, Patti is more than deserving of being called a character on her own. Needless to say, no matter what, she’ll be there for you.
