

MINOR IN INTERNATIONAL BUSINESS

Lilian Grace M. Aspe

From a shy and soft-spoken girl, Lei has bloomed into a smart, humble, and caring person who has a heart of gold and always sees the good in people. Those who know her well can attest to how much passion and depth she has. Truly, it was an honor to see how college shaped her into the beautiful woman she is today.

For all the adventures, experiences, friendships, lessons, and memories, thank you, Ateneo. Now, she is ready to take on the world. (Banzon et al.)
