

MINOR IN DATA SCIENCE

Leyland Matthew T. Maguyon

I swear to God, I'm not planning to sell cigarettes or insurance for the rest of my life. I am going to be the GOAT.

SPECIALIZATION IN DATA SCIENCE AND ANALYTICS

Ken Arielle O. Maliksi

My life in Ateneo has been a long journey. I asked myself before “Where should I be at the end of this journey?” Challenges taught me excellence, Time taught me patience, Pressure taught me courage, Failures taught me Success and Ateneo gave me these experiences which taught me that journey is not a question of where but “Who should I be?” Who should I be for me to succeed and who should I be for me to be a man for others?
