“The future belongs to those who believe in the beauty of their dreams.”
(Eleanor Roosevelt)

Jodel Katrina Q. Fernandez

Jodel is as an island girl. Raised in Saipan, she is nourished by the breath of mountains and seas. She fills her days with the joys of a body in motion, dancing with the wind. She is a child of Loyola. Educated in Loyola Heights, immersed in the works of philosophers, challenged by the call to service, her heart burns with the desire to find her vocation.

Jodel is a child of Love. Shy and filled with doubt though she is, her heart burns with a fire that will serve her people well.
