***Franco Lorenzo
P. Serrano***

Ambitious and competitive, Franco is possibly what any Slytherin student is. Moreover, he'd like to think that he has the courage of Mulan to make the biggest sacrifices to work towards his goals. These references name some of Franco's pop culture interests. Yes, he loves Harry Potter, Mulan, Titanic, and being able to collect merchandise from his fandoms. But what Franco likes best are alone time and daydreaming, because he uses these times to recharge and explore his unarticulated thoughts.
