

Kristjan Anndrea A. Tack

What sets Anndrea apart is an immense sense of duty and the discipline to see it through. Anndrea harnesses difficulties and tempers her character with it through strength and resilience. The result is an individual, eager to prove herself capable, competent and worthy. But what makes people love Anndrea isn't her work ethics. What commands love is a loyalty so potent and true that it translates to the most nourishing of relationships. (J. Go)

Four years of tripping, bruising, surviving, and realizing, and I wouldn't have it any other way.
Thank you, Ateneo, for reminding me to never lose my sense of wonder.
