“It takes great deal of courage to see the world in all its tainted glory, and still to love it.” (O. Wilde)

Thank you, Ateneo, for teaching me about the world’s imperfections, and guiding me how to respond to them with love and compassion. I will never forget the lessons you’ve taught me over the past four years, including how to cram a 10-page paper in less than 24 hours.

## ***Clarisse Mae D. Zaplan***

Clarisse Zaplan, fondly known as Zap, is who you could say to be the life of the party. From afar, you can already hear her loud Babble voice. As loud as she is, her words, which show her passion for the things she fights for and believes in, resonate even more than how she just says them. As persevering and as passionate as she is, Zap never fails to pour her heart out and give her 100% in everything. She boasts a loud voice, but beyond that is a gentle heart yearning for a better world.
