

Allana Anne T. Almira

When I was choosing a college, I prayed for God's guidance while I was in church. The song "On Eagle's Wings" played which I took as a sign; and the rest is history. Ateneo, you are one of the best decisions I've ever made. If I can have a do-over, it will still be you. Thank you for the many lessons and opportunities. I will be rooting for you forever. OBF!

Pauline Jenelle S. Ang

"It always seems impossible until it is done." (Nelson Mandela)
