

MINOR IN FINANCIAL MANAGEMENT

Paolo Raphael G. Magtibay

The past four years in this institution have been nothing but unbelievable in every way possible. Being bruised, beaten, and broken has brought me to grow beautifully and has constantly pushed me to greater heights. Thank you, Ateneo, for molding me to become the man I am today. Always, for the greater glory of God.

MINOR IN DECISION SCIENCE

Jerome Jason J. Manaois

Jerson is a firecracker, a jack-in-a-box, and a jokester all rolled into one. His personality is a full 360. He is an avid learner with unwavering determination. His smile is infectious, his wit knows no bounds, and his musical prowess is beyond amazing. A child at heart with immense enthusiasm for life, he always puts things in a positive perspective, and his existence is undeniably a source of sunlight and joy, giving you a little bit of magic when you need it most.
