

Kelwyn C. Cheng

Friendly, funny, and charming, Kelwyn is the type of person who will sit beside you in class and ask about your dreams. He's humble and helpful to the point that he can't resist anyone asking him for help. He constantly does volunteer work because he has a heart for children, the aged, and the less fortunate. He values his family and friends and really makes an effort to create lasting relationships. Whenever you're feeling down, you can always count on him to help you feel better. (K. Chan)

We talk about how we want the answer. We're always chasing the ultimate truth. But aren't we happier when we're seeking the truth? Isn't our addiction to the question itself? We talk about being found, but isn't it more fun to get lost?
"Our lives are grounded in impermanence, yet we seek to defy it at every moment. I won't accept the ephemeral nature of this moment. I'm going to extend it forever. Or at least I'm going to try." (J. Silva, Shots of Awe)
