My past four years in Ateneo haven't been easy, but they have definitely been worth it. From all-nighters for MA18A/B and MA21 back in freshman year, accounting in sophomore year, marketing in third year, up until thesis defense in senior year, I learned to be a tough fighter, never giving up, and at the same time, aiming high in every challenge that I face. Thank you, Ateneo for teaching me the spirit of Magis.
