

Steffani Czanelle C. Go

Small-framed and daintily clad, Steff will change your understanding of what it means to be strong. She is one of the funniest and most eager to laugh person you will meet, and still so admirably open and honest. Doubts may arrive, but the truth is doubtless. She has always been hardworking, determined, and adventurous throughout her journey in the Ateneo, and I believe that Steff and the world are on the verge of discovering the best of each other. (K. Everything went by so quickly in four years and yet much has changed. Perhaps these changes will stick with me even after the end of my journey. To which, I learned to value of sleep and living the Chill Life™, and to which, I thought I was perpetually lazy, but learning later on that I am capable of pushing past my comfort zone. Ateneo formed myself into the better me: a person for others, for knowledge, and for love.
