“We will do what is hard. We will achieve what is great.” (M. Sheen)
Never have these words resonated with me more than during my time spent in Ateneo. Here, I was inspired by those around me to embrace challenges and not avoid them; to go beyond myself and aim for ever-greater goals. And so, to the friends with whom I shared this journey, to the professors who pushed me to go over my limits, and to the people who put up with my terrible jokes, thank you.
