

MINOR IN ECONOMICS

## ***Jacob Martin C. Ferrer***

Thank you, Ateneo, for teaching me how to learn more, live more, and love more. This I promise to you: that I will always look back and be grateful, that I will always make the most out of life, and, as I head into the unknown, that I will always trust where life will take me, just as it has taken me to you.

MINOR IN LITERATURE (ENGLISH)

## ***Jim Matthew O. Ham***

This one is for the guys who didn't plan it all out, the ones who almost made the final cut, the ones who went against the tide, and the ones who stayed single and ready to mingle. Because, from a high school history buff to a wannabe engineer, then to an aspiring lawyer — look who's got it all figured it out now.
