For making me stronger – thank you, Accounting, Bel classes, traffic, bad grades, all-nighters, surprise tests, oral exams, body pains, and tears. For helping me survive – thank you, choco butternut donuts, coffee, Berocca, Waze, Google Docs, Old Rizal Library printer, MVP building, chapel, equally stressed friends, and my supportive family, red cap, dogs, and bed. For all these and everything else in between – thank you, Ateneo. Here's to never ceasing to live and love.
