

DOUBLE MAJOR IN AB ECONOMICS-HONORS

Lyonel T. Tanganco

Some people are matchsticks, steadfastly illuminating the way towards something greater despite the darkness all around them. These are the people who flicker, but never falter — struggle, but never surrender. They carry their flames through breeze and storm, bringing light into this world by the strength of their spirits.

If our noblest calling is to bring out that spark of hope in the souls of others, then Lyonel is the greatest of lighters. (D. Cheng)

MINOR IN CHINESE STUDIES

“The very basic core of a man’s living spirit is his passion for adventure. The joy of life comes from our encounters with new experiences, and hence there is no greater joy than to have an endlessly changing horizon, for each day to have a new and different sun.” (J. Krakauer)
