

Alyssa Louise A. Barcarse

The thing about the future is that it's never going to be certain. We just have to keep going through it with all the changes that come with it. What's certain for me, though, is that music has been and will forever be my constant whatever may be thrown my way.

Roi Zyril A. Barrion

"Tomorrow is always fresh, with no mistakes in it yet." (The Great Gatsby, F. Scott Fitzgerald)
