

Joshua M. Dela Cruz

Salamat, Ateneo, sa tatlong “L” na ipinaranas mo sa akin: sa Laban na hindi lamang sinisigaw kapag may laro sa Araneta ngunit ang “One Big Fight” na isang paraan ng panunuhay, sa Lungkot na naramdaman ko tuwing bumagsak ako sa mahihirap mong exam, natalo tayo sa basketbol, o kaya may kumuha ng payong ko, at higit sa lahat, sa Ligayang binigay mo sa akin sa pamamagitan ng aking mga kaibigang pang-habambuhay at ng lahat ng mga alaalang nabuo ko dito sa Katipunan.

Jose Mari F. Deluria

With sharp wit, steely determination, and an unyielding drive for success, Mari holds a strong grip on what he wants. He is quiet eloquence and loud laughter, blunt pragmatism and careful comfort, and clear warmth and understated charm. Being a photographer, he has taken over 25,000 photos in his college life. For him, photos are expression and connection. Through photography, he has made many friends and has captured not only photos, but also stories, doing much, living much, and creating much.
