

Joshua Miguel B. Fernandez

This guy is pure Magic. He's more clutch than Kobe in submitting his requirements. More handsome than Redick, but humble like Duncan. He has a heart as soft as Howard's, and a mind as good as Kidd's. Body hotter than Curry's streak. His smile make the girls weak like DRose's knees. More dominant in class, than Shaq in the paint. More aggressive in studying than Westbrook's hustle. A guy so perfect, he's better than Wilt's 100.

Ateneo has introduced me to the kinds of people I never thought existed. Never have I been challenged to my limits not just spiritually, but emotionally and academically as well, to the point where I've gained the perseverance to get back up amid seemingly hopeless situations. Ateneo will be the place that has brought me to the lowest of lows but has also exposed me to life-changing situations that made me grow to be the better version of myself.
