

Danica Isabelle C. Sundiam

It seems like it was yesterday when I drifted through uncharted waters. I committed to this decision with sheer tenacity to overcome the insurmountable perils of the sea. But I learned that relentless determination and unwavering faith make these challenges conquerable. I have been through turbulent waters, exacerbated by the stress of waves and tempests. But this harrowing journey didn't end when I reached the dock. As what Ateneo taught me best, there is always a room to do more and be more.
