“With peaks of joy and valleys of heartache, life is a roller coaster ride, the rise and fall of which defines our journey. It is both scary and exciting at the same time.” (S. Cole)

That was Ateneo for me, this one long roller coaster ride. Best one so far.

For a woman who stands her ground, she never truly stays in one place. This third culture kid embodies the recipes, flavors, languages, and traditions of the lands and peoples who raised her. Despite the constant change of scenery and perspective, and the constant chance of loneliness and displacement that comes with it -- she manages to make homes and find love in the spaces she occupies and the lives she touches. (M. Ysabel)
