MINOR IN ENTERPRISE DEVELOPMENT

Dominique Grace U. Ursolino

Every moment, although fleeting, has been a blessing. All the experiences, struggles, and accomplishments have driven me to make the best of every moment I commit to. I have learned to be strong – strong-willed, strong at heart, and strong in efforts to love. Most of all, I have met people with whom to share my moments and emotions with and gone on a journey with them that made everything worthwhile.
