

MINOR IN ECONOMICS

## ***David Martin A. Cuajunco***

This one goes out to the unsung heroes of Ateneo--the ones that shine in what they do, yet go unnoticed. Thank you for reminding me that it's neither fame nor reward that motivates you to do what you do. It's the passion and dedication that pushes you to be better than before.

We may not win the hearts of many, but at least in doing what we love, we win our own.

MINOR IN ECONOMICS

## ***Eduard M. De Guzman***

If we're growing, we're always going to be out of our comfort zone.
