College has been just one of the seasons in this series called life. Just like any other season, it's coming to an end, and looking back, I can say that this is definitely one of the greatest because it is filled with adventures and unforgettable scenes. I've gone through happy and sad times, kilig moments and heartbreaks; it wasn't a smooth ride, but definitely one that made me into a better and stronger person. Thank you to everyone who has been part of this experience.
