Last minute free-cuts. End-of-sem bell curves. Solid group-mates. Life-changing professors. Fr. Jett’s homilies. 26-minute naps at 3:30 in the afternoon. Evening walks through campus. Spontaneous 1 AM drives to Tagaytay. Late night UD Lobby Mcdo deliveries. Meaningful conversations. Meaningless conversations. Philo/Theo conversations. All-nighters turned chillnumans. Free hugs in the middle of hell week. The first day of OrSem. The last day of college. It’s the little things.
