

Jose Paolo S. Sarmiento

From being the team captain of our barkada's IAC and ABL basketball teams, the boss of our AHS section N, the commander of our resistance group, and the AD carry of our LoL team and other computer games, I would like to thank all my friends, who were a significant part of my eight-year stay in Ateneo and allowed me to play a significant role in theirs. As we all move on to the new roles that life may call upon us, I will always cherish the experiences and fun moments we had together. Cheers!

For the laughter and tears, the victories and cheers, the hellos and goodbyes, thank you, Ateneo. Thank you for taking me to places I never thought I could conquer. As I set out on a new voyage, I bring with me stories of hope and new beginnings. With faith and courage, I am now ready to sail to greater seas.
