“To build a better world we need to replace the patchwork of lucky breaks and arbitrary advantages that today determine success – the fortunate birth dates and the happy accidents of history – with a society that provides opportunities for all.” (M. Gladwell)

Eternally grateful for the chance to build a new and better life. Thank you Ateneo, OAA, Mr. CuUnjieng, DOST, Ate Tin, and Ateneo Gabay. We're here now and ready for lift-off. Domer City is a go!
