College is only as good as the people you meet in it – and I’ve met the best of them. Here’s to all our late-night coffee shop study sessions, to the 5-hour long rehearsals, to the jokes that made our stomachs hurt, and to everything in between. From Katipunan to the other side of the world, you guys made every moment worth it. And to Ateneo, for the four years, for all the opportunities and mistakes I made along the way, for being my home away from home, thank you. I hope I make you proud.

“If I had a world of my own, everything would be nonsense. Nothing would be what it is, because everything would be what it isn’t. And contrary wise, what is, it wouldn’t be. And what it wouldn’t be, it would. You see?” (L. Carroll, *Alice in Wonderland*).

There is beauty in not having things go the way you intend them to. There is beauty in the struggle; and there is beauty in the realization that you would not choose to have it any other way.
