With her unique vibe and sass, it is impossible not to notice AA in a crowd. Beautiful as she is, underneath is a smart woman who effortlessly aces her classes and helps her friends with their academics. With her practical but insightful mind, you are sure to want to have meaningful laughs and heart-to-heart talks with her. But what sets her apart from many is her bravery, as she remains true to herself, defying others' criticisms into becoming the beautiful and independent woman that she is.
