

MINOR IN SUSTAINABILITY

Ma. Regina Patricia J. Añonuevo

To all the friends I have made, thank you for being with me through thick and thin, and for giving me strength these past four years. To all my professors, thank you for teaching me so much about the world we live in, and the realities of our people today. To the Ateneo, thank you for molding me into the best version of myself. I now leave with my head held high, and a heart filled with anxiousness. I still don't know where I'll go, but who really knows, anyway? Wish me luck!

Ang lahat ng aking natamang tagumpay ay iniaalay ko sa ating Panginoon, sa aking pamilya, sa Ateneo, sa aking mga guro, sa mga matatalik kong kaibigan at sa lahat ng nakasabay ko sa 'di malilimutang paglalakbay na ito.
