If you will only do what you can, you can never be more than who you are. To my home away from home: I have nothing but unconditional love and gratitude for the experiences that made me break my barriers, go beyond my comfort zone, and exceed my own expectations. Thank you, Ateneo, for letting me soar while keeping me grounded, for making me strong when nothing seemed right, and for igniting my passion as I lived on the edge of something incredible. Down the hill, I'm ready to go!
