"I am not afraid to keep on living. I am not afraid to walk this world alone."
(My Chemical Romance, Famous Last Words)
Those who know me are aware that I have always used song lyrics and calligraphy to depict how I am at certain points in my life. After everything I have experienced up to now in the Ateneo, I think the lyrics above are the most fitting for me right now. I will now move forward towards my future in this world, unafraid of what lies ahead.
