

Ma. Martha Angela V. Vidanes

More than being a beaming ray of sunshine, Martha, most commonly known as Ara, is someone you can count on, in whatever situation you may be in. She gives importance to every relationship she builds and is not one to take advantage of anyone. A woman who loves caring for others, you can be assured that what she shows and makes you feel is nothing but genuine, love and compassion. Grateful for all that the Ateneo has taught her, she has truly been molded into a woman for others. (S. Tuico)

Dadaong na. Ngunit maglalayag pang muli. Magtataya, magmamahal. Tila isang panaginip, naging isang makabuluhang paglalakbay ang aking paglalayag. Namulat ang aking mga mata at naging handa akong magtaya para sa Diyos, bayan, pamilya, at mga kaibigan. Sa una at sana ay sa marami pang pagkakataon, natutunan kong ang pagmamahal, ay pagtataya. Sa ganitong paraan ako naglalayag; nagmamahal at nagtataya nang walang pinipili at hinihinging kapalit. Ito ang landas na patuloy kong tatahakin.
