

MINOR IN LITERATURE (ENGLISH) AND IN DECISION SCIENCE

## ***Mendelsohn A. Mariano***

Kapag ang tubig ay matining, asahan mong malalim. Sa ganitong paraan ko nakilala si Mendy. Tahimik lang na ginagawa ang mga kailangang gawin, taintim na pinatutunayang maaasahan siya sa anumang responsibilidad na iatang sa kanya. Ngunit makikita rin sa kanyang mga mata ang lalim ng pag-unawa at tiwalang mayroon siya. Hindi rin naman ganito sa lahat ng pagkakataon, dahil sa oras na magliwanag ang mukha niya, hahawaan ka naman ng malalim na kaligayahang nararamdaman niya. (J. Tenorio)
