“The most difficult thing is the decision to act, the rest is merely tenacity.”
(Amelia Earhart)

One of my best friends once gave me a plaque of the poem Desiderata written by Max Ehrmann. I think it more or less sums up what I've learned these past five years. Life can be so complex, and confusing, and frustrating... and painful; but it is also beautiful and magical and captivating. We must therefore take our time living, continue sharing our stories and our passions... and strive to be happy.
