Getting to know him always comes with the knowledge of his programming magic a.k.a. the technical expertise that he possesses and the various crucial positions he holds in organizations. But zooming closer, one will discover a caring and loyal friend that goes out of his way for others. Through the years, he has grown to accept that life won't guarantee happy endings, but will nevertheless give his best shot. He considers himself to be an unsung hero, but his friends believe otherwise (F. Ong).
