

MINOR IN HISTORY; SPECIALIZATION IN INTERNATIONAL RELATIONS

## ***Bianca Louise S. Aguilar***

She is most familiar with the night, listening to the noises of a world heavy-lidded. December chills are home to her, but she sees her nature in the bloom of a sunrise. Gentle, unfurling, hopeful. Her language is analogue: the patina of worn cameras, ink-stained hands, the dusty sound of jazz. Curiosity runs her into the heart of every fire. Always searching, never certain.

MINOR IN INTERNATIONAL RELATIONS

## ***Cyril Ellis G. Anino***

Makailang bagyo't unos man ang sinuong natin sa ating paglalayag sa karagatan, sa wakas ay narating na rin natin ang dapat nating daraungan. Ngunit hindi pa rito natatapos ang ating paglalakbay, kaibigan, sapagkat sa panibagong lupaing ating nadatnan, napakarami pa tayong mga bagay na mararanasa't matutuklasan.
