MINOR IN GLOBAL POLITICS

Renz Mikaella C. Lao

As I entered Ateneo, I expected to learn from the best classes and the best books - which I did. But as I leave, the most important lesson I learned is that learning can be found anywhere, not only in books or in the academe, but also from experiences and people. I will forever be grateful for the people that have come into my life, whether briefly or not in my four years in the Ateneo. I have gained great friends and had the most eye opening experiences that will forever change my life.
